## **Web Designer/Developer**

Based in Tucson, Ridgetop Group, Inc. is the world leader in providing electronic prognostics and health management (ePHM) and semiconductor solutions to aerospace, automotive and semiconductor firms.

We are looking for a part-time Web Designer/Developer to work on the development of a user interface for our web applications. You will be responsible for the layout, visual appearance, usability, and maintenance of the company website. The successful candidate must be creative, organized, detail-oriented, and be comfortable working in a team environment.

### **The main duties of the Web Designer/Developer will be:**

- Translating a client's marketing or informational content into a functional website.
- Mapping or outlining a website's structural content.
- Creating or editing images and graphics for website use.
- Determining all coding requirements for site creation including: e-commerce capability, forms and specialized scripts.
- Creating templates of approved website layout.
- Coding website using HTML, PHP, DHTML, flash or GUI design software.
- Coordinating with programmers for specialized scripts and GUI functionalities.
- Creating verbal content for the website or using approved content from the client.
- Integrating verbal content with site design for final product.
- Modifying, revising and editing projects as required by the client.
- Implementing website's search engine optimization.

### **Job qualifications**

- 2 – 5 years of website development experience
- Degree in BA Information Science and Arts, BS Information Science and Technology, Graphic design a plus
- Experience with Microsoft Expression Blend
- Experience with SQL and other database tools
- Experience with Adobe product suite (Photoshop, InDesign, Adobe after effects, etc.) is a must
- Experience with ASP. Net, XML, C#
- Proficiency in MS office and MS Project

- Must have experience on SEO
- Outstanding portfolio
- Excellent written and verbal skills
- Critical thinking to find strengths and weaknesses of alternative solutions
- Must be result driven, proactive, self-motivated and team player

We anticipate the work-load to be 10 to 20 hours per week on an as-needed basis.  
Compensation is DOE.

To be considered, please email your resume, along with three design samples in jpeg or PDF format to: [jobs@ridgetopgroup.com](mailto:jobs@ridgetopgroup.com). No phone calls please.
